

WODONGA SNIPPETS

Tuesday 22 January

Beautiful day, superb tennis facilities, hard tennis competition, good and bad news stories, people carrying injuries, starring on TV and in the papers, team dinners last night...there should be plenty of snippets. Must go for a walk-around, in between my own matches. Please forgive the Victorian bias – am trying to extend the field of influence. Robyn Castle back to take over soon.

Noticed at the Victorian State Dinner last night:

Graeme Heath, Rob McLauchlan

Tony Flood, Alan Friday, Gavin Hogben, Graeme Addison, Men's 60s 1, Tony on 70s

June Simpson, Grace Tait, Linda Pengelly
Women's 65 1

Thank you to Matthew Robin, teenage son of Michael Robin, Wodonga TC, who has been of great assistance to the TSV committee in moving gear.

Also, seen among the women serving on the merchandise stall, were Andrew Rae, Russell Watts and Graeme Charlton. Good for you, fellas.

We are delighted with the media coverage we are receiving from WIN TV and the Border Mail in particular. It's my job to liaise with the reporters and photographers and make their job easy and interesting. Was delighted to see one photographer at Albury this morning, photographing Heather McKay, among others, but

disappointed to hear that he copped a few back-handers for his presence. I ask for your patience please.

Wonder if Wanda bought her new tent poles...? Here she is with her sons, Kale, and Brayden.

Jill Taylor, Qld, but filling in on the Vic 65 1 team, due to Judy Hancy's withdrawal, thus leaving this team with only 4 players. Sadly there has been some harsh nastiness from some, not about Jill, but about the decision to allow this to happen. Protest received and will be considered. Now can you be pleasant? Not the spirit of seniors tennis.

Nola Collins, now Vic, was Qld, TV star last night.

Lou Griffith, Adrian Alle, Wendy Lavington
