

Senior Snippets - Wednesday, January 30th

Now who are the owners of the LONGEST legs?

Seen at the Presentation Ceremony on Friday night, looking stunning in their "Hot Shots" sunhats

Two of these three stunners were in the NSW ball swinging contest at the State Dinner. (L to R, Ron, Allan and Col.) Col says he couldn't win because he was too tall, and the "donger" wouldn't reach the floor.

Tricky business! A group of ladies was hoodwinked yesterday when the "boys" told them that they could swim in a complete circle from Noreuil Park. Victorians SW, FL and NSW AJ, attempted the swim, only to find they were floating further downstream!

Who was the "Birthday girl" yesterday? It was none other than Loretta Funnell (NSW). Mike Horsman (her Mixed partner) and some South Australians were taking her out for dinner. Formerly Loretta Smith, she played in one event in the tournament with Pam Smith (WA).

Apologies to our Japanese visitor Chikao Tokuhisa, for misspelling his name in yesterday's "snippets". Here is the photo of Chikao, with Val and Max Byrne!

How about these for innovation? Team photos with a difference!

NSW members, Marj and Marge, in a cool, shady spot, watching the tennis!
